CORTRIGHT METAL SHINGLES

LAST AS LONG AS THE BUILDING ITSELF

In some cases they last longer. They never need repairs. They're fire-proof, storm-proof. They reduce the cost of insurance, and they're easy to lay. They preserve the building too, by keeping out dampness: so if you want a thoroughly cozy home in winter, and a cool house in summer, you can't do better than see that Cortright Shingles are used for the covering.

5 District Superintendents' Reports

Emporia District.

Dear Bishop Smith, Fathers and Brethren: By the authority of the church and a beneficent Divine Providence I am permitted to submit my first Annual report. The field comprises thirty-three pastoral charges with eighty-eight preaching places—sixty-nine churches and nineteen school houses. Eight of these are pure stations; six are stations with one out point; one a station with two out points; two are half stations; seven are three point circuits; five are four point circuits; and four have five appointments.

Pastoral Supervision.

The wisdom of the recommendations of my worthy predecessor W. H. Mulvaney, and the decisions of Bishop Quayle is evidenced by the fact that thirty-three pastors—three of them supplies—went loyally to their charges, and with three exceptions, give account of their stewardship on those particular charges. The middle of the year W. M. Rogers of Severy sought and obtained a transfer to Kansas Conference. I appointed S. L. Chase, a supernumerary, to supply the charge, but Bishop Quayle claimed him in a week for LaHarpe. I then changed G. J. Rhodes from Neal to Severy and secured Larkin Martin, a superannuate, for Neal. Bishop Quayle transfered F. D. Chatterton from Howard Ct. to Missouri Conference. I secured M. A. Follett, a Local Preacher, for Howard Ct. All the Brethren have rendered faithful service. They have been heartily supported by a devoted and self sacrificing people. The reports show gratifying achievements for the kingdom of our Lord.

Personal Mention.

The anti-race suicide record of the District would delight the heart of our modern Nimrod Theodore The Great—as the stork has visited five parsonage homes leaving prospective ministers and deaconesses to comfort loving parents and bless the world. A number of our preachers or their families have had severe cases of illness; but we give thanks to our Heavenly Father that the dark winged messenger did not enter a parsonage home. However the shadow of his passing fell across the District leaving Brother W. C. Macurdy to mourn the going of mother: Brother T. O. Stephenson to say "Mother has departed": Sister Stephenson gave many years of faithful service in this Conference as a pastor's wife. Sister A. L. Sampson was called to bid final adieu to mother. The Superinten-

dent's household are in sorrow because Mrs. Robbins' father, George C. Moore, a life long Methodist and veteran class leader has had the earthly house dissolved. Of all these cases we can truly say "Our people die well."

District Meetings

The Epworth League Convention at Altoona Aug. 10 to 12 was the warmest meeting of the year. The interest and enthusiasm were equal to the temperature. President E. J. Gardner strengthened the program with considerable outside the district Conference talent. The District Conference at Lebo Sept. 14 to 16 was notable for attendance and interest. The special features were addresses by Bishop Quayle and Drs. Haywood and Ford.

Ministerial Support.

The marked advance in the cost of living—according to Bradstreet forty-nine per cent in six years—forces ministerial support to become a living problem if not the paramount issue. Many of the charges are awakening to the situation. Fifteen of them made an advance of $1,450 over last year's estimate and $2,268 over last year's reported receipts. Only three charges made a reduction aggregating $137. (This does not include parsonage estimates.) The District reports a deficiency of $329 on Pastor's salary. Three charges also paid about $200 of last year's shortage.

The other ministerial claims receipts are in advance of last year.

Church Property Creating.

The church at Lang on the Reading charge, completed last year, was dedicated May 9, by late Superintendent Mulvaney assisted by Pastor A. L. Sampson, E. J. Gardner and the Superintendent. This is a beautiful edifice reflecting much credit on the community. It cost about $3,100, $755 were pledged dedication day.

J. H. Oliver of Hamilton charge lead the people of Utopia in a new church enterprise. The corner stone was laid July 30, by the Superintendent assisted by the Pastor and several neighbor Pastors. The edifice cost about $2,700. It was dedicated March 13, by the Superintendent and Pastor. Over $600 were pledged.

The much needed and long desired new church at Americus has about materialized. J. N. Funston and the congregation are to be congratulated. The corner stone was laid Nov. 11, by the Superintendent assisted by the Pastor and D. S. Morrison. The edifice is a brick veneer with concrete basement. It will be ready for dedication by June 1. It will cost $6,500, $4,500 of which have been pledged or paid.

M. U. Ramsburg inspired the Dunlap people to buy a parsonage. It is a splendid property worth $1,200 only $350 debt remains on property.

G. E. Tift and the Burlington church exchanged the old par-

sonage and $3,000 for a beautiful, commodious and modern edifice. It is free of debt.

Eugene Kramer and the Olivet people have a seven room parsonage in process of construction. It will be completed at an early date.

W. C. Macurdy and Emporia First Church have raised $2,500 toward the magnificent $4,500 pipe organ installed the first of the year.

Improvements on churches or parsonages were made on twenty-three charges to amount of $2,709 making total paid for building and improving $13,589. Five charges paid $1,402 on old debts.

Benevolences.

The remarkable advance in the apportionments for the regular benevolences, being, (not counting Episcopal and Conference Claimants claims as benevolences) $4,009 more than last year's receipts, almost staggered some of our pastors and churches and prevents many of our Brethren being able to make the usual report "All Collections Full." Most of them have made an heroic effort and report $1,300 advance over last year on the regular apportionments. This does not reckon specials, or causes for which no specific amount was asked. Those reporting full apportionment are Altoona, M. P. Dixon, Benedict, G. H. Atherton; Cottonwood Falls, T. A. Nichols; Elmdale, E. H. Knepp; Emporia First, W. C. Macurdy; Fredonia, H. A. Church; Plymouth, Samuel Finch; Virgil, O. G. Mitchell.

Revivals and Membership.

The spirit of revivals pervaded the District. Nine of the Pastors employed special Evangelists the other twenty-four conducted their own meetings or were aided by a brother Pastor. They report 532 conversions; received 461 on probation; 339 as full members; 466 by certificate; removed 404 by certificate; 54 have died; 411 marked removed without letter.

Present membership: 245 probationers; 6,357 members; 404 of these are under 15 years of age.

Respectfully sumbitted,

BASCOM ROBBINS, Superintendent.

FORT SCOTT DISTRICT.

Dear Bishop and Brethren of the Ministry: I now make my first report as District Superintendent of the Fort Scott District. I deem myself fortunate in making this report by having an Experienced man at the head of the District for the first six and one-half months, whose tact and skill in organizing and putting into working condition the affairs of the District was felt unto the end of the Conference year.

While at first it seemed to be rather difficult to adjust myself to

the road, however, I soon learned that I had the counsel of the former District Superintendent and the prayers of a loyal set of pastors to help me over the rough places.

I found the District manned by 33 men occupying 11 Stations and 22 Circuits. Preaching in 62 churches and 8 school houses. The geography of this District does not need outlining to this Conference. Yet we may say that its problems are ever new. Mixed, as we are, with so many Nationalities, we become purely a Home Missionary field. Today we find a new condition of things from yesterday, and tomorrow expect new things from today; but amid it all the shout of victory goes up in honor of the Christ. I found Arcadia, alphabetically, at the head of the District. This is a charge of 4 points. The first half of the year Brother Van Buskirk, was its Pastor, but he, feeling the need of a better literary training to preach the Gospel of Christ, asked and obtained permission to go to Baker university. Brother H. I. Dolson was secured to hold the place until Bishop Smith transfered Bro. Lawellin from Neodesha to Arcadia.

Baxter Springs, has been under the Pastorate of C. F. Johnson another year, and he reports a good increase in the benevolences and all obligations met in full.

Beulah, is a charge of three points and Brother B. A. Silverthorn has been in charge for another year. The charge has taken on new life and promises to be one of our best Circuits in the near future. A little boy has come to brighten the home and increase the ties of parental joys.

At Cherokee. Brother Harmon Allen is the pastor. About the middle of the year Brother Allen was quarantined for 49 days on account of Scarlet Fever and Diphtheria in his family, but thanks to God his family came out all well and sound and are now enjoying good health. The benevolences are full. Cherokee has purchased a new home for their Pastor paying $2,200 for it.

Columbus is a station, Brother R. E. Maclean has been in charge for the last two years. Under his pastorate there has been a steady growth in all departments of the church. The Sunday School has grown to such proportions, that like the honey bee, they swarmed and a part of the school must go to another house for class work. We are very much in need of a new church at Columbus.

Crestline: This is a Circuit of 5 preaching places, Brother D. A. McCullough has served this charge faithfully for the last year. He reports a gracious revival with about 20 accessions to the church and all benevolences in full.

Erie: Is the county seat of Neosho county and is a delightful charge. Brother W. P. Wharton is the pastor, being assisted by Bro. Runyan he has been blessed with a great revival, reporting 86 converted and uniting with the church. All obligations in full. They promise to increase the Pastor's salary $200 next year, if the Bishop will return him.

Fort Scott, First Church. Brother E. M. Evans was appointed to this church last Conference by Bishop Quayle, and remained with them until about the first of September 1909, when he and Brother Geo. Satterlee of St. Paul, Minn., exchanged. He will report Benevolences in full. First Church has had another good year.

Fort Scott Grace Church: Brother J. B. Mackenzie is its pastor. This church has had a fine growth the past year. At the beginning of the Conference year they increased the Pastor's salary to $1,000. The members are very anxious that Brother Mackenzie shall be returned to them. All benevolences will be in full.

Frontenac, is purely a missionary field and requires heroism to return to the work year after year. Brother Calkins reports a gain along all lines. Fifteen conversions and accessions to the church; all benevolences in full.

Fulton, is a charge of 4 points, and long drives, but Brother B. H. Lewis has done a good work and whoever goes to Fulton will find everything in good shape. All financial obligations up in full.

Galena, has made a great record, again this year. While the church is not yet out of debt, they felt they must increase the Pastor's salary. They advanced from $1,200 to $1,500.

Girard: Here we find conditions that often occur with the older churches, that is, we need more room for more efficient Sunday School work. The Pastor with the people are planning to make more room by either building a new church or adding to the old. This has been a strenuous year for Girard, over $2,000 for Pastor's salary, and about $600 for Benevolences. Brother McKeever will report all Benevolences in full.

Hepler: The last year has been a great year with Hepler. Right after Conference, Brother True took hold of the Building problem and carried it on to completion. They enlarged the church costing about $2,000 and had it ready for the District Conference, where many things happened. Here the change on the District was made, when the much beloved District Superintendent, Bro. John Maclean was changed from the District to the First Church of Ottawa. A Glorious day for Ottawa, but a very sad one for the Fort Scott District The men loved Brother Maclean and hated to see him leave the District.

At Hallowell, we have met with some loss in that two of the points failed to materialize and left Melrose and Hallowell to go it alone. The Benevolences will be all full.

At LaCygne Brother Gillham was in charge and many things he had planned did not come to pass. Brother Gillham surely did have a hard year owing to some difficulty that came up over the building of a new church. He will come up with a very good report while the Benevolences may not all be full they will be nearly so.

McCune, is a work in the southwest part of the District, and has 3 points. C. E. West is the pastor, he has had good revivals on

the work. The people love Brother West, and ask the Bishop to return him for another year.

Mound City is the county seat of Linn County located on the Mo. Pac. Try weekly railroad; goes down one week and trys to get back the next. Brother J. O. Borton was appointed to this work last Conference and remained two months, when he transferred to the Northwest Kansas Conference. Brother Maclean secured the transfer of Brother F. O. Hesse of West Wisconsin Conference and for ten months he has been doing heroic work. He will make a good report of the work. All collections taken and nearly full.

Mulberry, has been blessed with a varied experience this year, but by the wise leadership of Brother L. M. Rhoades she comes to the front with a good revival and all Benevolence in full.

New Lancaster charge is a nice little charge located in the southeastern corner of Miami County. It is purely a Rural charge. But under the leadership of Brother V. W. Henderson has had one of the best years of its history. Salary of the Pastor and all Benevolences are full.

Opolis is a charge of three points. Here Brother Robert Gault was appointed to take charge at the last Conference by Bishop Quayle. He remained on the charge until the first week in December when he left it to go to Honolulu under the direction of the Y. M. C. A. Brother H. I. Dolson was secured to take the Sunday preaching and look after the work.

Parsons First Church: To this charge Brother C. S. Nusbaum was appointed. About one month after Conference, (the first of April), the church building was burned and by the heroic work of the Pastor the Parsonage was saved. This threw the congregation out of doors. Brother Nusbaum sought and obtained the old Tabernacle about the same as a tent. He has succeeded in keeping the church busy and has had a great ingathering, over 250 having come into the church. At the beginning of the year they raised the Pastor's salary $400 and promise to raise it another $500 for next year. They are building another church large and commodious, modern in every way. The finances are in good shape and all obligations paid in full.

Washington Ave. Parsons: Again we are asked to kindly request the Bishop to return Brother Hovgard to Washington Avenue church Parsons, and they promise to increase the salary another $200 for next year, making it $1,600 and Parsonage. Everything is in fine shape, a good revival and all Benevolences in full.

Pittsburg First Church: Here is one of the Strategic points on the District, because of the place it holds in the city Evangelical Union. This church always needs one of the strongest men to help in the manning of this Mission work. Here being the center from which we work. This church has two mission Sunday Schools and is planning to organize more. The church is gaining in numbers in spite of the many removals. They report a great revival of over

200 conversions and that many additions to the church. All collections taken and all full.

Pittsburg Circuit: The first 6 weeks of the Conference year the charge was under the care of C. D. Kennerly but overwork and exposure brought on fatal sickness causing his death. By the permission of Bishop Quayle Brother Maclean moved Bro. J. R. Hankins from the Oklahoma Mission to Pittsburg Circuit. He has built a nice little chapel and dedicated it to the Memory of Brother Kennerly. It cost about $1,300. Brother Nusbaum dedicated the church the 2nd day of January 1910, all out of debt, and now the Curranville class have a new home in which to worship.

Pleasanton: This charge has been under the care of Brother A. J. Morton and has been well cared for. Brother Morton will report all Benevolence more than full.

Prescott, is a charge of 4 points. A. D. Wood is the pastor. The work is prospering along all lines, and Brother Wood will report about 20 conversions and 30 accessions to the church. All Benevolences will be in full.

Redfield: Brother Boicourt has been in charge of this work and will report the salary and Benevolences in full. He has had a very good year, with about 50 conversions and accessions to the church.

Savonburg, is a charge of 4 points situated in the Eastern part of Allen County. Brother Q. W. Brakebill has been in charge another year. Over 107 have been converted and joined the church. All Benevolences will be in full.

Scammon is one of our charges lying wholly within the mining camps. Here is a hard field; one day you have a good membership and next week they are lettered out. Yet Brother Robert Cullison will report 29 conversions and that many accessions to the church. All Benevolences in full.

St. Paul:. Here we have the problem of the District. We have a faithful people but few in numbers and are very poor financially. Bethel and South Mound are on with St. Paul but owing to the country in and around St. Paul being Roman Catholic, it makes it hard for St. Paul. The Benevolences will not be full.

Walnut is in the Northwest corner of Crawford County at the junction of the Santa Fe and M. K. & T. railroads. Brother Kitchen will report one of the best years of his ministry. All financial obligations will be met in full.

At Weir: Brother Taylor has been in charge for another year and he will bring a good report. A good revival and all benevolences are in full. His people love him and ask for his return.

Now for a brief summary of the work, so far as I am able to give it:

We report 1,054 converted. 607 adults and 72 infants baptized. We have on the rolls 7,793 full members, a very slight gain.

We have 1,500 Epworth League members, who have paid $1,000 on Missions.

A Sunday School roll of 9,000. We have 38 Ladies Aid Societies, who have paid into the church Treasury $5,800.

We have paid for building and improvement $10,160.

We have paid on old debts $3,971.

There was assessed for Pastors' Salary $29,444. A gain of $1,084 over last year.

The Total other Benevolences will reach $28,315. Including the $18,315 special gifts for Missions we make a grand total of $57,459.

Thanking my Brothers in the work for their help and for the kind regards received from the good people of the District, and recognizing the Lord's goodness to me, I now submit my first report to this South Kansas Conference.

Respectfully,

C. W. BAILEY.

INDEPENDENCE DISTRICT.

To the Presiding Bishop, and Members of the South Kansas Conference:

The Conference year, has passed quickly; but pleasantly. It was our privilege, to receive the inheritance of the Independence District at the close of the last session of this Conference, by the appointment of Bishop Wm. A. Quayle.

I found, that my predecessor, Brother C. S. Nusbaum, who had served the district faithfully for five years, and had asked to be relieved so that he could return to the pastorate, had left the work in fine shape, and was greatly beloved by his preachers and people.

The health of some of the pastors, and their families, has been greatly interfered with, and some of them, have had peculiar afflictions; but not a minister in the effective ranks on the Independence District has died during the year.

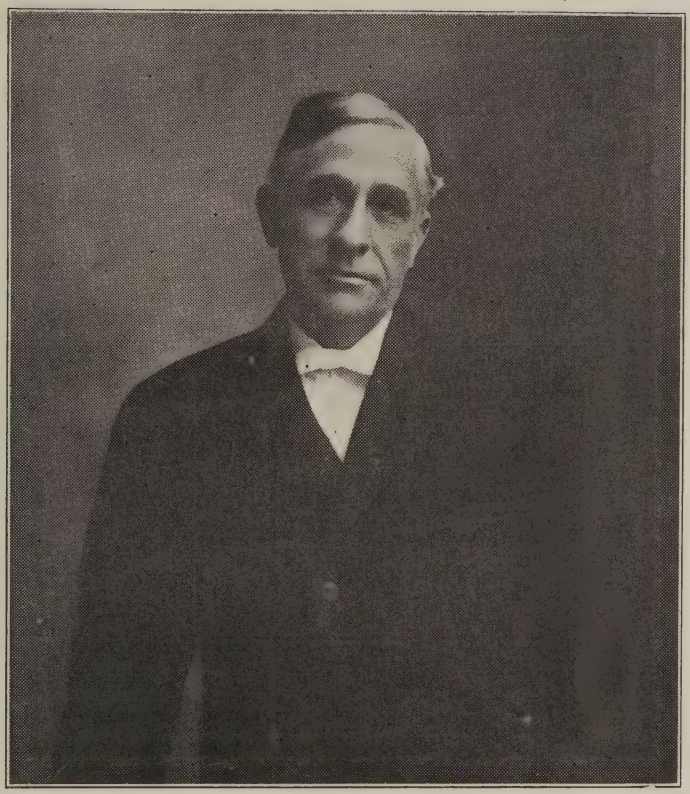
New Work.

Shortly after the last Conference, the Elk Falls charge was organized, with the consent of the Presiding Bishop. L. B. Dobbs a graduate of Baker University was appointed pastor. He has made a prosperous year, and will ask to be admitted on trial at this session.

The Neodesha Circuit has had its first year of existence. This charge surrounds Neodesha, and was organized by B. M. Powell our former pastor at Neodesha. Its first pastor was George R. Lawellin.

Changes in the Pastorate.

G. L. Miller of the Southern Illinois Conference was appointed last March to the LaFountaine charge. He served the people until



A. S. Freed, District Superintendent
Independence District

September; but on account of failing health returned to his former home in California. J. Kansas Morgan, who had been for eighteen months, District Evangelist of the Independence District, was appointed, with the concurrence of the Bishop, pastor, and he has been greatly blessed in his work.

D. A. LaPorte of the Chanute Circuit, resigned his charge in the middle of the year, and returned to Oklahoma. It was difficult to secure a man for this field; but a short time ago, D. C. Phillips, an Elder of the Missouri Conference was appointed pastor.

Brother Lawellin, with the consent of our Presiding Bishop, after an earnest request from Bro. Bailey, was relieved from the Neodesha Circuit, and appointed to Arcadia. G. W. Skinner a local preacher in our church at Neodesha, after a pressing invitation from the District Superintendent consented to care for the work until Conference.

Pastor M. G. McKenzie of Mound Valley received in December the appointment of Chaplain and Superintendent of Schools, at the Industrial Reformatory at Hutchinson and at the third Quarterly Conference, tendered his resignation, and at the request of the District Superintendent was appointed by Bishop Smith to this new position. L. W. Foster of our Conference, who a year ago, received a Supernumerary relation, was at once secured and appointed to the charge.

New Churches.

A new brick-veneered church, has been built and dedicated on the Neodesha Circuit at Grandview, five miles southeast of Neodesha, under the leadership of George R. Lawellin. On September 6th, it was the District Superintendent's great privilege, with the assistance of Pastors Mulvaney and Lawellin to dedicate this beautiful edifice, after raising $1,020 with all indebtedness provided for, and One Hundred Dollars surplus.

At Independence, the new Grace M. E. Church has been built, and will be ready for dedication in April. Pastor I. L. Alcock has accomplished a great work in erecting this edifice. This is a mission, and the people are in moderate circumstances; but he has worked day and night in securing subscriptions, and on Dec. 23rd, the District Superintendent assisted by Pastor Chaffee of the First Chruch, and Pastor Alcock, laid the corner-stone. The cost of the plant will be $4,000.

At Altamont a new church enterprise is being rapidly brought to completion. Pastor G. B. Mehl is the successful leader. At the first Quarterly meeting in June a resolution was adopted to build a new church costing Ten Thousand Dollars. A Building Committee was nominated and confirmed, and on Sept. 19th, Bishop W. A. Quayle laid the corner-stone in the presence of a large concourse of people. This was a great event for Altamont, it being the educational center of Labette County High School.

This Church will be dedicated in a few weeks, and will be a great credit to our Methodism in this educational center.

District Conference and Epworth League Convention.

Our District Conference and Epworth League Convention held a joint-session at Moline in September. Our host was our honored brother, A. Cullison, and the large number of persons present, were royally cared for, and well entertained.

Bishop Quayle was with us, and gave an inspiring address on Tuesday evening and greatly aided in the work of the church at this gathering. Also Dr. B. S. Haywood of Porto Rico spoke of the work of God in the groups of Islands under his care. Our brethren and people gave him $205 for his work.

On the closing night Dr. Motter represented our own Baker University and Dr. J. S. Ford the Home Missionary and Church Extension work, in place of Dr. H. J. Coker who could not be present.

At this meeting, a fund was started to educate Miss Taylor of Independence for the Deaconess work, and she is now at the training school in Kansas City.

It was decided not to hold the District Conference and Epworth League Convention at the same time in the coming year. The next Epworth League Convention of the District will go to Thayer, and the District Conference to Caney.

During the year, Coffeyville, Independence, and Chanute have employed Deaconesses and they have been a blessing to the churches.

Bereavements.

A great bereavement came in the month of October to our dear Brother Richard T. Harkness and family of Sedan, when Miss Mamie his beloved daughter passed to her heavenly home. She had reached her twenty-eighth year, not being a strong child and having been without a mother since she was eleven years of age, she was most tenderly loved and cared for by the stronger members of the family.

Her funeral services were held on Tuesday evening at 7:30 in the pastor's own church, and the building was crowded with loving and sympathizing members of his congregation. The services were in charge of the writer, Bro. C. S. Nusbaum of Parsons, former District Superintendent, made the address, and Bro. C. W. Odom of Caney assisted in the services. She was buried in the family lot at Emporia.

Just three months to the day, from the time that this dear girl was taken away, Miss Bessie, aged twenty-five years, who was at home when her sister was buried, and was so overcome at the departure of Miss Mamie, was also borne to her last resting place.

Miss Bessie was a bright, intelligent, Christian girl, and was a graduate of the High School and College of Emporia. At the time of her death, she was one of the High School teachers at Blackwell,

Oklahoma. She had undergone an operation on Christmas day, and from all appearances, was rapidly recovering from the shock, when suddenly on Tuesday her spirit took its flight to God who gave it. For the second time in three months, the father was summoned from Sedan to care for the dust of another one of his dear daughters.

At the request of her many friends, funeral services were held in our church at Blackwell, conducted by our pastor Brother Carter.

On the arrival of the remains at Emporia, our ministers met for the second time in a few weeks our brother. The body was taken from the train to her aunt's, Mrs. Laura M. Curry, Pastor W. C. Macurdy of the First Church had charge of the services. He was assisted by President J. H. Hill of the State Normal, Rev. Bernard Kelly, Bascom Robbins, District Superintendent, E. J. Gardner of Grace Church, and D. S. Morrison.

Gleanings From the Field.

Altamont: Has less than one thousand inhabitants, and yet, when Pastor Mehl finishes his new ten thousand dollar Church, for the size of the town, this will be the finest Methodist Church, it is thought, in Kansas, Brother Mehl deserves great credit in securing a gift of $2500.00 from Mr. George Topham for Baker University. This and the $1300.00 and other gifts Bro. Topham has given to our church makes $3840.00 that this noble layman has lain on God's Altars during the year 1909.

Caney: Pastor Odom has received over two hundred souls into the church during the year. A movement is now on foot at this charge to build in the coming year a new church, that will cost Eighteen Thousand Dollars.

Coffeyville: Pastor Potts has paid over $4000.00 on its steadily reducing funded debt. In addition the church has expended over $500.00 for improvements and put into the church a very large and handsome pipe-organ, costing $5500.00, and it is all paid. Bishop Quayle said on the day of dedication, that this was one of the finest pipe-organs he had seen in the west. This church has a strong brotherhood and F. W. Fenn, one of our former active pastors; but now a superannuate is President.

Grenola: Pastor Todd has finished his year's work, and neither from the pulpit or in private by the Pastor, or any of the members of the Board of Stewards, has a word been said about money, to a single person, and yet every claim has been met in full. If you want to know how it has been accomplished, ask Pastor Todd. Conversions seventy-five (75). Amounts paid for improvements, $160.00 for a new piano and $410.00 on other improvements.

Total number of Conversions, 963.

Total paid for improvements during the past year $22,326.00.

Dr. Sinclair has traveled largely throughout the District, and has received for Bethany Hospital by subscription and cash from:

Sedan	$ 143.00
Neodesha	217.00
Caney	217.00
Chanute	1044.00
Total	$1621.00

Our Ladies' Aid Societies have raised several thousands of Dollars, and put it into our church work, and if it was not for their liberality many of our charges would have a hard time to exist.

We have a number of Home and Foreign Missionary Societies on the District, and our Mrs. McFadden of Chanute has been going all year from place to place, and organizing and inspiring our sisters of the church in this glorious service, so that this has been a year of advance along all lines for the W. F. M. S. in Independence District.

The six auxiliaries have increased to ten.

The membership from 245 to 325.

The Conference secretary had two unheard-of experiences in this District.—Two pastors were so rash as to write her first, asking her to organize societies in their charges.

One was from one of the best charges, saying: "I would not like to serve a church longer than a reasonable length of time that does not have a W. F. M. S."

The other from one of the weakest circuits saying: "We are poor, had floods and our crops largely destroyed—but we realize there are others much worse off than we are, and we want to help the little that we can. We would like to have a W. F. M. S. organized in this church."

Both, now have thriving societies and constantly gaining new members.

We are more and more convinced that the Pastor and the Pastor's wife hold the key to our work in unorganized churches, especially. I am anxious to see her enter every charge on the Inpedendence District for it seems to me, that some of our members, need to have a new view-point on the subject of Missions.

Out of sixty-eight churches on the District, I have visited all but four and nearly all of the School House appointments.

Many of our Pastors have held the Quarterly love-feasts.

The great advance in the past year on the benevolences was met by our ministers and people loyally, and I believe that the pastors and people have done their best to raise every cent, and while it will not all be met on the weaker charges, most of it will be paid, and where a deficit occurs, it will be in advance of last year.

We close this first year of our ministry of the Independence District grateful to Almighty God for excellent health. We have

met all of the Quarterly Conference appointments of the thirty-two charges, and have not used a supply.

We have preached three times each Sunday, and administered the Holy Communion at nearly every service only when in the larger towns.

I now desire to gratefully acknowledge in this public way, the great courtesy and kindness I have everywhere received from pastors and people. The ministry and laity have kindly co-operated with me in all of my plans, so that the salaries of the ministers at the first Quarterly Conferences were advanced over $1000.00. We have called the roll of our ministers and members of our Quarterly Conferences once every three months.

We have tried as God's ministers to sound the alarm, and keep our banners lifted, though sometimes the clouds, have darkened our skies. We lay-down our year's work at the foot of the Cross, trusting that the great Shepherd and Bishop of our Souls will receive it.

Respectfully submitted,

ALPHEUS S. FREED.

OTTAWA DISTRICT.

Dear Bishop and Brethren:—

In submitting this my first report of Ottawa District, I wish to state that on taking up the work of the District I found it well equipped and thoroughly organized. My tireless, insatiable predecessor, at the end of his four years of service, could justly claim that desert places had been forced to bud and blossom. New societies had been organized, churches built and debts galore paid. I confess I stood amazed before these towering triumphs, and for awhile shivered in constant fear of a collapse. I felt much like a brother sent to a charge which, for two preceding terms, had been served by fairly prominent preachers. He complained that Brother Hastlegood had run revival services until about everybody was converted, or tired out; and Dr. Apocrypha had buried all the old folks and married all the young people, so there was really nothing for him to do.

But my fears were groundless. I soon found plenty to do in this great vineyard. The Commission handed me a year ago was accepted with humility; its duties have been discharged with fidelity; of the results, this report is the sum.

The work has been enjoyable, though difficult. I have visited the charges in season and out of season. I have carefully looked after both the material and the spiritual interests of every charge. I have presided over 135 regular quarterly conference sessions and 19 adjourned sessions, making in all 154 sessions. I have preached 277 times and given 10 addresses or lectures, making in all 287 public occasions. I have written over 2,000 letters to laymen and preachers incident to the details of the work. I have sought to inspire both

preachers and laymen with a clearer vision of the Christ, a better appreciation of His tenderness in dealing with men, and a clearer call to duty.

Our efforts have not been in vain. It has been very gratifying to see how gladly and heartily our laymen have responded. Churches have been beautified, parsonages improved, salaries of pastors increased, and the offerings to Home and Foreign Missions have been greatly increased.

The Ottawa District consists of 34 charges, served by 28 Conference men and 6 supplies. Of these 34 charges, 11 are stations and 23 are Circuits. These 34 pastors preach to 78 congregations, 74 of which are regular organized classes. We have 74 church buildings, 34 parsonages, 72 Sunday School organizations and 6 Union Schools. Within our territory, there are 36 churches of other denominations without pastors.

There is yet some territory to occupy, but the growth is not like that where new settlements are springing up and numerous preaching places established. Our territory is so covered by church organizations that not many additional ones are required. Our growth, therefore, for the present, must come chiefly through the strengthening of the organizations and plants we already possess. The year now closing has witnessed a steady growth in almost every charge.

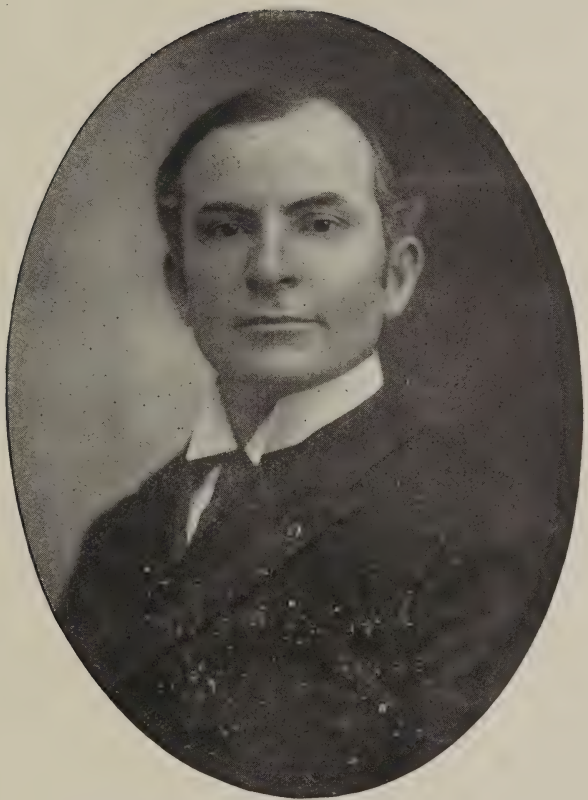
Improvements In Property.

While the extensive floods of last summer have made this an unfavorable year for extensive church building and improvement, yet twenty-two charges have repaired their churches at a cost of $2,725, and nineteen charges have repaired and beautified their parsonages at a cost of $1,175. Three charges have paid $508 on old parsonage debts. This makes a total of $4,408. Selma has purchased a parsonage property at a cost of $450, and Yates Center has built a beautiful parsonage at a cost of $2,500. Lincoln Chapel on the Selma charge has built a beautiful chapel, to replace the one burned, at a cost of $1,800. Princeton is now building a beautiful church to cost $3,500. Of this amount $1,500 has already been paid out. This makes a grand total of $10,658.00 raised and paid out during the year on church and parsonage repairs and building.

We have some new prospects on the way. Neosho Falls has long needed a new church building. The Building Committee has $1,200 in hand and $800 in subscription, and is now considering plans for the building. Mildred, on the Kincaid charge, has secured a fine location and will soon start their building. Baldwin is soon to have a new pipe organ.

Pastoral Changes.

In September, First Church Ottawa was left without a pastor, J. D. Smith having been invited to the Presidency of Carleton College. John Maclean, who was finishing his term on the Fort Scott



T. E. CHANDLER, District Superintendent
Ottawa District

District, was appointed to Ottawa. C. W. Bailey, who was in his fourth year at Garnett, was made District Superintendent of the Fort Scott District. Ira M. Benham, in his fourth year at La Harpe, was appointed to Garnett, and S. L. Chase, who for two years had been in the Supernumerary relation, was sent to La Harpe. In June, D. M. Campbell was transferred from Gas City to the Kansas Conference and W. T. Pyle, a member of the St. Louis Conference, was sent to supply. He gave four months of efficient service, but the support would not justify his sacrifice; and in November A. Goodrick, a local preacher, was placed in charge. Fontana lost their pastor, J. P. Williams, who, because of ill health, asks for a supernumerary relation, and Frank Oechsli, a member of the St. Louis Conference, finished out the year. G. A. Lamphear was released from the Williamsburg charge in order to attend the School of Theology, and C. T. Cotton was transferred from the St. Louis Conference and appointed pastor. Neal Johnson was transferred from Bronson to the West Nebraska Conference and G. E. McCarger was transferred from the Kansas Conference and placed in charge. But after two months of service he was appointed by Bishop W. A. Quayle to a Missionary station in New Mexico, and C. A. Miles was sent to finish the year. C. M. Hodgson, a local preacher, was sent to finish the year on the Yates Center circuit made vacant by the removal of C. A. Miles. In December an exchange was effected between J. F. Jenness at Baldwin and R. B. Kester of Evanston, Ill. Changes in the midst of the year may often work harm to the charges, but it has not been so in the above changes. Both pastors and churches are most happy in the above changes.

Notable Gatherings.

The District has enjoyed, during the year, the inspiration of several notable gatherings. In May, a two days "Conference Home Missionary Convention" was held at Iola. This gathering brought to our borders some distinguished Missionary toilers who, with Bishop W. A. Quayle, gave the many delegates present a new inspiration to "Capture America for Christ." Such a gathering will greatly increase the general interest in missions. May they occur often.

The dedication of Lincoln Chapel on the Selma charge was an affair of great local interest. The District Superintendent had charge, and with the assistance of J. M. Life of Kincaid and T. B. Bilter, the pastor, all necessary money was provided and the building dedicated free of debt.

The Epworth Leagues of the District met in annual convention at Osawatomie in June. The convention was noteworthy because of the large and enthusiastic attendance and the rare excellency of every number on the program.

The Annual District Conference met at Humboldt in September. There was a large delegation of Laymen as well as Ministers. The

entertainment was royal and the program able and representative. The presence and eloquent addresses of Bishop W. A. Quayle, and Dr. Benj. Haywood were greatly appreciated by all present.

I am indebted to my preachers for their kindness in sending me as their delegate to the great International Edworth League Convention held in Seattle in July, and I wish here to express my appreciation to them for this kindness.

Baker University has passed its 50th milestone. This celebration was a notable event. Students, teachers and presidents of other years came from far and near. All rejoiced in the growth of our University. This year has witnessed the usual increase of enrollment in the Collegiate Department. The decrease appears in the Business and Preparatory Departments. The Management of the school, by Drs. Parmenter and Markham, in the absence of President Murlin, has been very satisfactory. The completion this year of "Taylor Hall" has greatly increased the facilities of usefulness of the school. Its material side has been emphasized and rightly, for it was sadly needed. But there is yet an unfinished task. The teaching force of the University must be improved and a better support provided. A university may have great buildings and splendid equipment but it cannot produce great men without great teachers who, inspired with great ideals and grounded on the Eternal Verities of God's Truth, can impart both knowledge and faith to our aspiring youth. If the result of Modern Education is "Doubt" and not "Faith," then there is something wrong with the system. All higher education should lead to God. Now, if the teacher should exalt "Materialistic Evolution" to the place of God, and supplant "Faith" with "Culture" we should have a generation of doubters. The most strategical departments in a university are the departments of Philosophy and Biblical Study. A little carelessness shown in the choice of men here will do more to drift the religious life of a school toward doubt than the combined efforts of a conference can correct.

There must be a larger Endowment for Baker. But how to secure it? We have a great need. But there is a great Source of Supply. The regular Baker University collections on our District will be in advance of last year. But the "Special Gifts" will be $650 less than last year. This, I think, is caused by the absence of a Special Agent in our Conference field, and this should suggest an immediate action.

In the matter of Benevolences we have done the heroic thing. The large apportionment for this year has been hard to reach, but our people have done well; 26 charges have exceeded their last year's offering to Foreign Missions with a net advance of $337 over the total offering on Foreign Missions last year. While 30 charges have exceeded their last year's offering to Home Missions and Church Extension with a net advance of $862 over the total offering on Home Missions last year. Our total offering last year on Confer-

ence Claimants was $1,256; this year we present $1,277, a slight increase.

Salaries.

The following charges have this year increased their salaries: Baldwin, $50; Blue Mound, $5; Bronson, $116; Buffalo, $50; Garnett, $100; Iola, Trinity, $125; Kincaid, $50; LeRoy, $50; Osawatomie, $200; Parker, $10; Selma, $500; Williamsburg, $25.

Sickness.

Our parsonages have been exempt from death but not from sickness. Severe but not fatal illness has visited the homes of C. W. Bailey at Garnett during July and August, of W. L. French at Waverly December, January and February, of R. E. Keyes and A. M. Maclean. Brother Bailey has recovered; Brother French is well on the way to recovery and has gone to Baldwin a few days instead of coming to Conference. Edward and Letha Keyes have recovered and little Robert Maclean is well again. Four little angels have come to bless four parsonages. Ask E. W. Spencer, H. I. Bailey and A. M. Maclean and C. P. Burges to smile. The only death that has occurred was that of Mrs. W. B. Poinsett who passed away at the home of her daughter Mrs. Long in Ottawa.

A satisfactory review of the year is impossible, for the best work, like strictly first-class preaching, is unreportable. I am pleased to report all my preachers blameless in walk and conversation. My intercourse with them has been my constant delight. They and their families have helped me in my duties and graciously cared for my comfort. Our preacher-pastors have preached a plain unsensational, direct gospel and followed it by faithful pastoral labors. They have, in all, but a half dozen cases, been their own evangelists and Christ has blessed their efforts. We shall yet find that hand picked fruit will last longest. There have been 859 conversions. Exceptions to this rule were the meetings conducted by Evangelist Runyan at Osawatomie, Neosho Falls, Baldwin and Ottawa, First Church. Our pastors have conducted 342 funerals, 115 of which were for Methodist and 227 were for non-Methodists. We have five Methodist Brotherhoods within the District, with a membership of 262, and two notable Boys' Clubs, with over 100 members, the "Knights of King Arthur," at Paola and the "Knights of the Holy Grail," at Garnett.

I cannot close without a word for the faithful toilers whose names do not appear on our records except at death or widowhood—our splendid wives. They share our sorrows, brighten our homes, bless the church, add their unwavering faith to our faltering prayers and are in all things our strength and our joy.

Thus has the year passed; happily, strenuously, quickly, eventfully. Let us

Be Strong!

"We are not here to play, to dream, to drift;
We have hard work to do, and loads to lift;
Shun not the struggle; face it! 'Tis God's gift."

EDUCATION.

Higher Education under the direct influence of the Christian

A memorial service was held at the seat of the Conference. on Colleges and universities is one of the imperative requirements of modern times. As Baker University is devoted to the expression of higher education under distinctively Christian auspices, we pledge to our Church School our enthusiastic allegiance and support. Her heroic effort to make possible a collegiate education for all youths within the bounds of our Conference and beyond, under the supervision of a Christian College, prompts our deep appreciation.

The needs of a College increase with its success. Baker's success has been great in the matter of her material growth, as well as in her intellectual development. Taylor Hall and Gymnasium have been practically completed at a cost of $100,000. A part of this is yet to be paid and Baker University is entitled to large contributions from our people for the payment of this debt and for the increase of her endowment. As pastors we pledge our hearty co-operation in this undertaking.

We renew our pledge of twenty-five cents per member to assist in defraying the current expenses of the college, and we direct the apportionment of this sum to the several charges of the Conference.

It is a pleasure to be advised that the Board of Trustees of Baker University are carefully looking toward betterment in the School regulation in the following regard:

1. That all athletics shall be subordinated to their rightful place of inferiority to all scholastic culture and regular college work. That the faculty is to be advised in all administration to keep uppermost the ideal of a completely moulded life and character.

2. That greater prominence and encouragement is to be given to all literary societies.

3. That the game of football is to receive special consideration; that there is to be co-operation with every effort at eliminating all dangerous elements from the game, and limiting the number of games. In all these proposed steps we assure the Board of Trustees of our approval.

We desire to tender the sympathy of the Conference to J. Luther Taylor, Trustee, who has been bereaved by the death of his father.

We desire to express our appreciation of the faithful and untiring efforts of the Rev. J. A. Motter as Business Manager of the

Board of Trustees of Baker University, and request his re-appointment, assuring him of a cordial welcome in our pastoral charges.

We also take this opportunity to express appreciation of the excellent administrative service of Vice-President C. S. Parmenter, and Dean O. G. Markham during the absence of President L. H. Murlin, during his incumbency as Pastor of the American Church in Berlin.

We recommend our friends to use their influence to secure bequests for Baker University wherever practicable. That the following form be observed:

"I give, devise and bequeath to The Trustees of The Baker University," (such property as is intended to be given.)

We recommend as Trustees for four years to succeed themselves:

R. N. Allen. J. H. Price.
E. W. Barker. C. E. Moore.
and for one year, class of 1911
H. W. Chaffee.

We recommend the appointment of H. A. Church, E. W. Spencer, John Maclean, C. E. Creager and I. M. Benham, as a Commission to Conference with Commission from the other Kansas Conferences on the best method of caring for the Spiritual welfare of young people belonging to Methodist families, who are attending schools other than our own.

We recommend as visitors to Baker University, G. B. Mehl, W. P. Wharton, J. M. Life, O. C. Bronston, W. S. Hannum, E. B. Payne, S. M. Pearson, E. T. Mendal.

To Garrett Biblical Institute, H. A. Gordon; Alternate, S. S. Murphy.

SPECIAL CHARITIES.

Your committee on special charities make the following report:

First: That Bethany Hospital has had the most prosperous year in her history, and all the running expenses have been met in full.

Second: That the Hospital has cared for 934 patients the past year, and was unable to care for many more who made application.

Third: We emphasize the fact that the property now belonging to the four Kansas Conferences, the St. Louis and West German Conferences of the Methodist Episcopal Church: therefore, we urge that our pastors open their pulpits to the representatives of this Institution.

Fourth: We nominate C. L. Hovgard, minister, and W. S. Williams, of Ottawa, Kansas, and O. G. Markham, of Baldwin, Kansas-laymen as our representatives on the Board of Directors.

Fifth: We learn with pleasure that the directors have purchased a five acre site, the most commodious and eligible in Kansas City, Kansas, and plans are now being drawn for a new modern fire proof one hundred thousand dollar building.

Sixth: We commend Miss Elizabeth J. Eason for her efficient service and tactful management as Superintendent of nurses.

Seventh: That in making bequests to the Hospital, the full legal name be used: "The Methodist Hospital Company of the Methodist Episcopal Church."

Eighth: We recommend Bethany Hospital as being among the very best places to receive surgical and medical treatment.

S. B. KNOWLES, Chairman.
HARMON ALLEN, Secretary.

CONFERENCE BOARD OF HOME MISSIONS AND CHURCH EXTENSION.

Your Conference Board of Home Missions submit the following report:

The following grants were made during the year: Neodesha Circuit $200. Hepler $200. Princeton, $350. Mildred, $350. Grace Church of Independence, $350. And permission was given to Curranville, to receive a special gift of $250 to build a Memorial Church if necessary.

The following donations have been paid by the Board at Philadelphia. Hepler $200. Special for Pittsburg, $200. Curranville $150. Princeton $350, and Utopia $200.

The following grants have been allowed by the Philadelphia Board: Grace Church, Independence, $350, Neosho Falls, $500, Americus $250, Grand View, Wilson County, $200, Mildred $350. This puts us where we have over $1000 yet to be paid and which will come from our percentage of funds for 1910. A loan has been granted by the Board of $1000 to La Harpe Church and may be paid at any time.

The amount apportioned to this Conference for the coming year is $13,600, the same as last year.

We wish to urge our pastors to forward lists of contributors paying $1.00 or more to Home Missions to the office in Philadelphia, so that the Christian Republic may be given as wide a circulation as possible. It is such a valuable source of information and inspiration that we cannot afford to be without its aid. We would also urge our pastors to circulate the books "Methodism and the Republic," and "America, the world's greatest Mission Fields."

We congratulate ourselves upon the visit of Dr. Ward Platt to our Conference, having greatly profited by his statesmanlike putting of the needs of our home fields.

We are also happy in the fact that Dr. H. J. Coker is continued in his field of usefulness. The Kansas conventions held last season, largely the result of his planning and energy, were a great stimulant to our benevolent causes. We felicitate ourselves because the convention held within our own conference was the most enthusiastic of the four held within our state.

We devoutly thank God for the advance of about $3000 in our gifts for the cause of Home Missions and Church Extension within our Conference this year, believing it is prophetic of still larger interest and giving for this most worthy cause.

It may be of interest to know that one-fifth of our Conference collection for Home Missions and Church Extension is returned to us for Church Extension work.

JOHN MACLEAN, President.
A. F. CHAFFEE, Secretary.

WOMAN'S HOME MISSIONARY SOCIETY.

The work of the Society moves slowly, but surely onward and upward. Notwithstanding the failure to hold a Conference Convention last year, and without the aid of a field worker, the amount of money sent to the General Treasurer was $300. in advance of any previous year. From March 1, 1909, to March 1, 1910, the Conference treasurer received in cash, $1295.42, and in Vouchers, $375.52, total, $1670.94.

In September Miss Nettie Bangs of Emporia District went to Emerson Industrial Home, Ocala, Florida, as Assistant Superintendent. A christian woman doing excellent work among those poor colored girls.

The friends who heard Mrs. Nasmythe give the address at Conference went away with a deeper interest in the work than ever before and would surely give her a hearty welcome if she comes again.

We have been looking forward to the Conference Convention at Independence in June, expecting great help and inspiration from it.

We need the prayers and help of all the pastors and people in this great work of helping just a little to "save America for Christ."

(MISS) MARY A. SMITH, Secretary.

WOMAN'S FOREIGN MISSIONARY SOCIETY.

The Woman's Foreign Missionary Society of the South Kansas Conference has thirty-six auxiliaries with eleven hundred members.

Five Young Women and Standard Bearer Societies, with one hundred and sixty-five members.

Sixteen Children's organizations with four hundred and twenty-eight members.

250 subscriptions taken to the Woman's Missionary Friend; 300 of the Junior Friend.

27 children and six adults made life members the past year.

CONFERENCE ROLL.

Sunday afternoon, March 20, 1910, in charge of the Committee on Memoirs. Brief tributes were paid to the memories of those mentioned below.

Six new societies were organized.

South Kansas Conference excelled last year in three points over

other Conferences in Topeka Branch—which includes seven states and two territories.

First: They had the largest Christmas offering.

Second: The most life members.

Third: The most subscriptions to the Junior Missionary Friend.

South Kansas Conference is yet very poorly organized; it has about 144 charges, only 36 of them have W. F. M. S.

The parent Board looks after the men and boys, the Woman's Board looks after the women and girls, hence any charge or individual who does not contribute to the W. F. M. S., does nothing directly for women and girls in Christless lands.

It is to be hoped that soon each charge will have at least one organization of the W. F. M. S. Either the children in King's Herald or Little Light Bearer Bands; the Young ladies in Standard Bearer Companies; or auxiliaries of the ladies.

Our apportionment for 1910 is $4200.

Conference Secretary—Mrs. J. R. McFadden, Chanute.

Conference Treasurer—Miss Helen Beatty, Chanute.

District secretaries:

Emporia—Mrs. W. S. Cady, Fredonia.

Independence—Mrs. W. R. Latimer, Chanute.

Ottawa—Mrs. T. E. Chandler, Ottawa.

Fort Scott—Mrs. M. L. Drake, Fort Scott.

FREEDMANS AID.

Your committee on Freedmans Aid most respectfully reports:

The work of the Freedmans Aid Society is represented by 22 schools and colleges and institutes, the only means of Christian Education for the training of leaders for our 350,000 colored members and their families, and for our share of the ten million black people in United States.

We recognize the pressing needs of the society as shown by their report, setting forth the increased interest of the colored people in their own development and the inadequacy of the present equipment to meet the new demands. We urge an earnest and faithful presentation of the cause in the Churches.

W. P. WHARTON, Chairman.
WESLEY EMERSON, Secretary.

GENERAL CONFERENCE BENEVOLENCES.

We record our approbation and appreciation of the efforts of the Secretaries of the various Boards to furnish pastors and members such an abundance of information as to present condition, and hopeful outlook in all the benevolent departments of the Church.

In order that largest results be achieved, we recommend that as far as practicable, the special days suggested by the Board be observed for presenting the enterprises by sermons, and our splendid literature.

We further suggest that the pastors apportion the benevolences

to the membership, and urge payment by monthly or quarterly contributions.

CLYDE W. ODOM,
I. C. PAUGH,
J. H. PRICE.

EPWORTH LEAGUE AND SUNDAY SCHOOLS.

We are highly pleased with the increased efficiency of our Sunday Schools, and with the marked advance being made along the three distinctive lines of work, we are now doing, viz: Educational, Benevolent and Missionary, and therefore pledge our hearty co-operation and support to every advance movement of the Board of Sunday Schools, and recommend that we raise our full apportionment for the Board of Sunday Schools, which is 1½ per cent of the total amount raised for ministeral support.

THE EPWORTH LEAGUE.

We have faith in the Epworth League. Believe it to be a providential provision for the saving and training of our young for service.

We therefore urge all of our pastors, even though they may, in point of years exceed the age limit, be active members of the Epworth League, and whenever possible attend regularly the devotional services, encourage and inspire our young people in all the forward movements of the Epworth League.

Second: We are gratified with the interest taken in and the results arising from the Epworth League Institutes, and insist that when possible our Epworthians attend.

Third: We think it wise and timely that stress is now being put upon the fact that the Epworth League is a Young Peoples' Society, and while we do not recommend a definite age limit, we suggest that our plan be "Old men for counsel, and young men for war."

E. J. GARDNER,
C. A. CALKINS,
H. I. BAILEY.

WOMAN'S WORK.

We recognize the Woman's Home and Foreign Missionary Societies as indispensable agencies divinely called and fitted for the work of helping evangelize the world, and beneficial in the diffusion of Missionary intelligence.

Resolved, That we encourage the organization of new auxiliaries and the hearty support of our pastors of all those now organized.

We most highly recommend the worth of our devoted deaconesses, believing the work to be of inestimable value to the Church.

We recognize the Ladies Aid Society as a strong factor in the

financial and social work of the Church, and should have the most hearty support of the pastors.

C. H. GERKIN.
F. H. FLICKINGER.

TEMPERANCE.

With exceeding great joy, we are watching the onward sweep of temperance sentiment throughout our country, and we give glory to God and honor to men and women, who have put into "dry" territory nearly one-half of the population of these "United States."

We commend our Congress for giving us the Interstate Commerce Bill, and we are looking with hope to the day when the shipment of liquors into Prohibition States, except for medicinal and mechanical purposes will be next to impossible.

We heartily commend Governor Stubbs and Attorney General Jackson upon their successful efforts of law enforcement and we point to Kansas City, Kansas, as an unanswerable argument in favor of material as well as moral progress under prohibition.

We commend our sister State, Missouri, upon her determined and persistent effort to drive away from her borders the open saloon.

We believe in the declaration of our own church that the infamous liquor traffic cannot be "legalized without sin," and we pledge our hearty support to every agency and movement looking toward its suppression.

I. C. PAUGH,
W. H. MULVANEY.

STATE OF THE CHURCH.

1. We recognize that the highest type of Christian living is necessary on the part of pastors and members.

2. We urge loyalty to our fundamental doctrines which have stood the test of time, and are attaining world wide recognition.

3. We desire to commend to the church the prevalent evangelistic movement and urge earnest and continuous endeavor for the salvation of souls and a quickening of the spiritual life of the church.

AUDITING COMMITTEE.

We, your auditing committee, have audited the books of the Ottawa, Fort Scott, and Emporia Districts respectively, and found them correct. The Independence District Conference Record was not placed in our hands.

DEACONESS BOARD.

We, your Deaconess Board of Nine, submit the following report:

First: We have examined and granted Deaconess license to Blanche Freeman, and recommend that our action be approved by the Conference.

Second: That since she has met the requirements of the Discipline she is hereby recommended for admission in the Annual Conference.

Third: We announce the following changes: Sarah L. Catlin is married and is dropped from the roll of Deaconesses. Daisy Mabry is transferred to the Colorado Conference. Irene Morrell is transferred from the Missouri Conference to us.

Fourth: The following, having met the requirements of the Discipline, have their licenses renewed for one year: Anna Wharton, Bessie E. Crandall, and Irene Morrell.

Fifth: Blanche Freeman is assigned to Chanute, and Irene Morrell to Independence.

We hereby approve of the work of our Deaconesses under the control of this Board during the past year. Two applications are now on file, asking for a Deaconess. We shall take them up in their order. It is with sadness we note the sickness of Bessie Crandall and recommend her case to the sympathy of the Conference. We call the attention of the pastors of the Conference to the advantage of having a Deaconess in the charge, and urge them to negotiate with the chairman or secretary of the Board for the employment of the same.

B. M. POWELL, Chairman.
J. B. MACKENZIE, Secretary.

REV. C. R. PATTEE, D. D.

Soon after the close of the Conference—in April, 1909, Dr. Pattee, a superannuate of the South Kansas Conference, died at the home of his son in Los Angeles, California. As we know his life, and the story of its end, there was no "moaning of the bar," when this octogenarian put out to sea. He was a member of our Conference only a few years in the eighties, serving acceptably Williamsburg, Humboldt, and Cherryvale. But in these few years we found him pure gold, a man rarely rich in graceful and forceful abilities. He was born in Longuil, Upper Canada, Nov. 29, 1826. In 1852 he was licensed to preach and in 1855 was admitted on trial into the Erie Conference. In 1870 he was transferred to the Wisconsin Conference, and in 1880 to the South Kansas Conference. Two things of special note deserve mention: He was in close formative touch with two great movements. As a personal and close friend of John Brown, he no doubt influenced the crisis movement against slavery. He also stood in close suggestive relation to the Chautauqua movement as established at Lake Chautauqua, N. Y. He was a man of stalwart christian character, and of sturdy, fearless convictions. As a lover of nature he did much for both our Baker University, and the University of Southern California, having given to each a large and valuable mineralogical and conchological collection. The following lines of his own, represent well what he was:

"But they are truly great
Who do the right, and dare to wait;
To whom no banner is unfurled—
These, these, are truly great."

MRS. T. O. STEPHENSON.

Mary Elizabeth Jones was born at Ellison Prairie, Ind., June 25, 1837, and departed this life at the home of her son, Rev. T. O. Stephenson, Emporia, Kan., May 9, 1909. She was united in marriage to Rev. Thomas Stephenson March 2, 1862, and removed to Iowa and Iowa Conference about 1867, where she gave her life faithfully and

well to the work of God and the church, as the wife of an itinerant Methodist minister at Centerville, Cincinnati, Drakeville, Marshall, Albia, Ottumwa, Keosauqua, and First Church, Keokuk. In the early eighties, she came to Kansas and South Kansas Conference, where in several changes she showed the same fidelity in the Master's service she had shown in Iowa. For more than fifty years she lived a faithful and consistent Christian life, and left assuring evidences of a rich and ripening experience to the last. Two sons, Homer and T. O., and one daughter survive her. Rev. Bascom Robbins, district superintendent, conducted the funeral services, using as texts, Psalm 30:5, and John 14:1-3. He was assisted by Dr. Joseph Hill, Revs. E. J. Gardner, W. H. Mulvaney and J. N. Funston, and appropriately and beautifully her body was carried to its last resting place by Methodist ministers.

MRS. J. M. ILIFF.

Cassandria S. Dennis was born in Washington County, Ohio, grew to womanhood in Vermilion County, Indiana, and was united in marriage to J. M. Iliff in Alamakee County, Iowa, in 1853. In 1858 they came to Linn County, Kansas, locating near their present home, where their house became a preaching place and a home for the pioneer ministers of that new country. Living near the Missouri line they were subjected to the vicissitudes and horrors of the Border War. When her husband entered the Union Army she courageously assumed the care of the little ones, and during Price's Raid in the Battle of Mine Creek she lost all her property and was without sustenance for more than two days.

In 1854, while attending a campmeeting, she with her husband, was converted and became identified with the M. E. Church, in which she was an active Christian worker for fifty-five years. For seventeen years she cheerfully and faithfully endured the sacrifices and burdens of a Pastor's wife, never considering any sacrifice or service too great if she could serve the church and win souls for Christ. On one charge she was constituted a Life Member of the Missionary Society by voluntary contributions from friends.

On account of failing health for some months she was conscious that her labors would soon close, and during her late illness, when informed by her physician that she could live but a short time, calmly prepared for her departure. She expressed abiding faith in her Savior, gave full assurance that all was well, and at the family home in Mound City, Kansas, on April 12, 1909, went peacefully to sleep to awaken in the likeness of Christ in that city whose maker and builder is God.

Eight sons came to gladden the home, but only four grew to manhood, and one of these, Dr. J. N. Iliff passed away five years ago. His widow with her family, and the three sons with their families gathered at the family home.

After memorial services held in the M. E. Church, in charge

of Rev. John Maclean, Dis't. Sup't. assisted by Rev. H. Allen, a former pastor, and Rev. L. J. Gillham, Pastor at LaCygne, the remains were borne to the last resting place in the Battlefield Cemetery and laid by the side of her children who had preceded her.

MRS. W. B. POINSETT.

Mary Elizabeth Kendall was born in Sugar Grove, Indiana, April 22, 1837, and died December 1, 1909, at the home of her daughter, Mrs. Henry Long in Ottawa, Kansas. She was married to W. B. Poinsett, May 26, 1861, to which union were born seven children. They moved to Kansas in 1867, and settled near Walnut. That winter her husband was converted and united with the Methodist Episcopal church; the following year was licensed to preach, and in 1875 was admitted to the South Kansas Conference. He was superannuated in 1894, and died in 1900. In all they gave 24 years of service to the active ministry of the church. During four of these years her husband was chaplain of the State Penitentiary. Sister Poinsett was converted and united with the church in childhood. She delighted in the work of the church, especially that of the wife of a Methodist Preacher. At the time of her husband's death she was a member of the Washington Avenue church in Kansas City, where she held her membership to the close of her life. She suffered from a stroke of paralysis from which she never rallied. The old hymns of the church were her delight in the closing hours of life. She has entered into her reward.

MARY H. HARKNESS.

Mary H. Harkness was born in Colony, Kansas, Feb. 24, 1881, and died at Sedan, Kansas, Sept. 27, 1909. She was born, reared, and died in a Methodist parsonage. From the beginning she met with affliction which continued until the end. But affliction never met a braver soul with which to combat. Because of her affliction, she was the child of the household, even though other children there were. All hands and hearts were open to Mamie. She will never be forgotten by those who knew her. When the faithful physician came in the last paroxysm of her illness to minister to her suffering, upon her face were smiles of peace and joy. Her mother died about eleven years ago, since which time she has been special charge of her mother's sister, "Aunt Mary," who came into the home to be mother to the orphaned children. The funeral services were held at Sedan, conducted by A. S. Freed, and C. S. Nusbaum. The remains were interred in the family cemetery in Emporia.

BESSIE A. HARKNESS.

Bessie A. Harkness was born in the parsonage at Princeton, Kansas, Nov. 3, 1882, and died at Blackwell, Oklahoma, December 28, 1909. She was a strong and self-reliant christian. In her early childhood she was converted and united with the church. She passed

through the common schools and graduated from the High School in Emporia, and from the College of Emporia. She choose the profession of teaching as her life work, and was eminently successful. At the time of her death she was a teacher in Blackwell, Oklahoma, High School. About one year before her death she entered into the experience of perfect love, and she planned to enter the deaconess work. But it was not to be so, and almost without warning she was called to the realms beyond. Her funeral was conducted by her pastor, Rev. T. E. Carter, in Blackwell. Other services were held in Emporia, where her body was laid beside that of her sister who so recently had gone on before.

Church Insurance

MORE CO-OPERATION

on the part of our people and more valuable service being rendered to Methodism than ever before That is what the results for last year show.

The National

Mutual Church Insurance Co.

of Chicago

Incorporated by direction of the General Conference of 1896, has completed its eleventh successful year. A constant increase has been recorded for each year. Last year's gains put the business over the $32,000,000.00 mark. Losses paid almost one-half million dollars

In addition to sound protection against **Fire, Lightning and Tornado,** a service is rendered in the matter of fire prevention that has been of incalculable benefit to its members and the church at large. It presents a strong co-operative plan of insurance, conducted along conservative underwriting lines that effects a saving for churches, gives them easy payments, and furthermore gives them an opportunity to share in a work that, while it benefits them, assists many that could not well afford any other plan.
